

CE-Conformity Declaration

For the following equipment:

Lux Lumen Leddriver 6 – 24VDC PWM as component for assembly

Relevant CE directives:

Low voltage directive 73/23/CEE, 93/68/CEE

EMC directive 89/336/CEE

We declare that the assembly corresponds to the relevant fundamental safety and health requirements of the above CE-directive.

The assembly must be build-in into a solid metal housing to protect the components.

In the case of a modification, unauthorised by us, being made to the assembly, this declaration losses its validity automatically.
